

Investing for Success

Under this agreement for 2018

Woongoolba State School will receive

\$74,329*

This funding will be used to

- Aim to maintain percentage of students meeting the National Minimum Standard (NMS) in reading in Years 3 and 5 at 100%
- Meet annual target for percentage of students in the top two bands on NAPLAN in reading in Years 3 and 5.
- Implement the Proficiency Studies Program (PSP) and provide required resources
- Develop a learning plan for students not meeting the National Minimum Standard in reading
- Support teacher capability through professional development to improve students' performance
- To support the implementation of Professional Learning Teams across the school

Our initiatives include

- Continue short and long term data cycles and analysis in reading
- Implement a Guaranteed & Viable Curriculum in Maths & relevant Proficiency Scales to identify student level of learning
- Supporting the provision of Head of Curriculum & Reading Coordinator positions
- Provide teacher aide and teacher support for all classes as part of the Proficiency Studies Program
- Implement reading intervention plan (Rocket Readers, Learnasaurus) for students: a trained teacher aide to support identified students 'at risk' of missing NMS in reading & for targeted Prep students at risk of not reaching PM Level 5
- Implement Oral Language Program (OLEY) in Prep

Our school will improve student outcomes by

- Engaging trained teacher aides to deliver Rocket Readers & Learnasaurus and supporting students where English is an additional language or dialect \$ 6 000
- Programs to targeted students & to support Proficiency Studies Program in all classes \$ 46 683
- Provide TRS and Personal Development (PD) costs for learning coach program \$ 11 646
- Provide physical and digital resources to align to school improvement priorities \$ 10 000
